

APPLICATIONS INVITED TO THE REMOTELY PILOTED AIRCRAFT SYSTEM (RPAS)/ DRONE CERTIFICATE PROGRAMME

Applications are invited for the Certificate Programme in Remotely Piloted Aircraft System (RPAS)/ Drone conducted by Dr R. Satheesh Centre for Remote Sensing and GIS, School of Environmental Sciences, Mahatma Gandhi University, Kottayam (Established in 2003 with the support from ISRO, Dept of Space, Govt. of India under the prestigious National Natural Resources Management System programme of the nation), in technical partnership with Asia Softlab Pvt Ltd, a subsidiary organisation, SG group of Institutions Malaysia (also spread across Europe, Australia and Asia Pacific).

The course will equip the students with cutting-edge skill development in drone-based technology, enabling them to take on various science and technology jobs in the drone flying and applications sectors.

Graduates or Postgraduate degree holders in any branch of study can apply for this job oriented full-time course with a duration of 3 months. The applicant should be an Indian Citizen (Preferably an Indian passport holder) within the age limit of 18 to 60 years.

The programme consists of modules in Drone Data Processing and 3D imaging, Drone Flight Planning and Operations, DGCA certified RPAS Pilot Training, Drone Building, etc. For application forms and other details, please visit <u>https://ses.mgu.ac.in/</u> OR <u>https://asiasoftlab.in/</u>

The applications for next batch are open now.

Contact: The Co-ordinator, Dr. R. Satheesh Centre for Remote Sensing and GIS, School of Environmental Sciences, Mahatma Gandhi University, Priyadarshini Hills P. 0., Kottayam-686560.
